Student Responsibility Agreement

VortexHealing® is a very powerful healing art. Therefore, it is to be expected that various situations can arise from studying or practicing this healing art. Certain problems, either physical or emotional, may be alleviated. Deep mystical experiences can occur, as well as life-change realizations. But sometimes, suppressed emotions or physical tensions may receive enough healing energy to be pushed to surface, so they can be released or resolved, and this process may create various emotional or physical symptoms. Deep healing is a process that is *intended* to create changes in one's life, and those changes can manifest physically, emotionally and spiritually. It is all part of the healing process.

On the first day of class, students will be required to sign the following:

The undersigned acknowledge that they have read and understood the above paragraph and:

Agree (a) that neither VortexHealing, Inc nor the teachers of VortexHealing are responsible for any individual symptoms that may arise as a result of taking VortexHealing classes or practicing VortexHealing, (b) that they will take personal responsibility for whatever physical or emotional symptoms may arise as part of the healing process of taking VortexHealing classes or practicing VortexHealing, (c) that they will adhere both to the basic Code of Ethics for VortexHealing practitioners if they are doing healings on others, and to the Class Drug-Use Policy while attending class (both the Code & Policy are presented in class and posted online), (d) that class tuitions are not for any transmissions or awakening movements that may occur in class (which are provided by the divine source of the lineage), but are simply for the teacher's time and (e) that VortexHealing teachers are neither medical practitioners nor psychotherapists. Although they may comment on the nature of body energetics and consciousness in relation to disease and mental health, it is understood that these comments are not intended as advice for any course of action for any medical or mental health issues that the undersigned or their clients may have.

Drug-Use Policy in VortexHealing® Classes

Dec 29-2012

The use of psychedelic drugs, whether in natural or chemical form, whether legal or illegal, are not permitted on the days of any VortexHealing class, which includes the evenings between class days. This is because psychedelics alter the energy system in a way that somewhat interferes with the receiving of VortexHealing transmissions, and they have some impact on the group field of the class. Psychiatric drugs are exempted, as is medical marijuana, where there is a prescription, but in either case the teacher needs to be informed, and those taking medical marijuana should be aware that the VortexHealing transmissions they receive will be weakened by the impacted state of their energy system. (If the teacher knows the situation he/she may be able to compensate somewhat for it.) Medical drugs, of course, are also exempt, but the teacher should be informed of any deep medical conditions. In addition, drunkenness is not permitted, although moderate alcohol use after class is fine. Note, though, that if alcohol is taken at lunch, even a glass of wine, its tendency to 'dull the senses' will make the student less sensitive to feeling/sensing energy for some hours afterwards. Anyone in violation of this policy will need to drop out of the class (but may re-take it later as a repeater), and there will be no refunding of tuition.
